

Lantern Rubric

Name: _____

Scoring

*Use the grading rubric in the front of your folder (it should be the second page, it's orange). 1-5 points for each category.

| | | |
|----------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Handling of Assignment/ Research and Interpretation | | |
| | Sketches | |
| | Filled out the work packet | |
| Effort | | |
| | House with negative space design cutouts | |
| | Base: attached or unattached | |
| | Roof with workable flange and pull | |
| | House dimension 10 " or less | |
| Creativity/ Originality | | |
| | The lantern has a flavor of the ancient Japanese Garden Lanterns that create a meditative focal point within the landscaped garden | |
| | The patterns made from the light emanating from inside create a sense of peace | |
| | The artist has pushed the form passed a square house with a flat roof | |
| | Roof, House and Base form a cohesive and pleasing arrangement and balance with shapes and forms | |
| | The patterning of the positive and negative space is well balanced, well planned and uses the four walls to enhance the overall design of the lantern | |
| Craftsmanship | | |
| | Connections are strong and secure | |
| | House has clean and straight angles | |
| | All surfaces are smooth and free of burrs | |

| | | |
|----------------------|-------------------------------------------------------------------|--|
| | All openings are clean, crisp and clear | |
| | No warpage | |
| | Glaze or paint job flawless. No glaze on the bottom on the piece. | |
| Cooperation | | |
| | Followed all directions | |
| | Submitted all required photos to schoology | |
| | Cleaned up your area and helped out where it was needed | |
| Total Points: | <i>100 total possible points</i> | |
